In 2006 Russell Brand exploded onto the international comedy scene. He has been named Time Out's Comedian of the Year, Best Newcomer at the British Comedy Awards, and Most Stylish Man at GQ's Men. His UK stand-up tour was sold out and his BBC Radio 6 show became a cult phenomenon, the second most popular podcast of the year. Before the fame, however, Russell's life was anything but glamorous. His father left when he was three months old, he was bulimic at age 12 and he began drinking heavily and taking drugs by age 16. He regularly visited prostitutes in Soho, began cutting himself, took drugs on stage during his stand-up shows, and even set himself on fire while on crack cocaine. In 2003 Russell was told that he would be in prison, a mental hospital, or dead within six months unless he went into rehab. He has now been clean for three years, and hasn't looked back since. This is Russell's amazing story. VDOC.PUB Authors: Brand , Russell EPUB Download Embed This document was uploaded by our user. Report DMCA Russell Brand learned early on to make a joke of fear and failure. From a troubled childhood in industrial Essex, England, to his descent into addictions to alcohol, drugs, and sex in the seamy underbelly of London, Brand has seen his share of both and miraculously lived to tell the tale. In My Booky Wook he leads readers on a rollicking journey through his disastrous school career, his infamous antics on MTV, and his multifarious sexual adventures. But this irreverent memoir is a story not simply of struggle but also of redemption, a testament to the difficulty of discovering what you want from life and the remarkable power of a bloody-minded determination to get it. My Booky Wook is a giddy trip through the brilliant mind of one of Britain's most valuable exports. (Sun)How in God's name did the publishers ever get him to sit down and write the bloody thing? Because make no mistake - unlike most celebrity biogs, MY BOOKY WOOK has definitely been written by Brand. (London Lite)Part funny, but part hugely disturbing . . . (Grazia)The most talented stand-up comedian to emerge in Britain this decade, Brand combines Eddie Izzard's rare ability to carry a whole crowd along on an audacious flight of comic fancy with the carnal magnetism of the young George Best. Audiences leave a Brand performance not just entertained but actively debauched by his catalogue of erotic misadventure. (Daily Telegraph)To his expanding CV can now be added a scandalous, libidinous memoir that is better written and more entertaining than any number of the celebrity autobiographies that clog the shelves of bookshops. (Observer)The Russell Brand of MY BOOKY WOOK is surprisingly approachable. The comedian's playful love of language is evident from his occasional lapse into obscure or archaic words, and sits well with his penchant for childishness. . . . Inevitably, the main point of interest is Brand's addictions, drugs and sex, about which he writes with unexpected affability. (Herald)335 dismal, masturbatory pagey-wages. (Ian Hislop, Have I Got News For You)Hilarious, sometimes brilliant, and always indulgent (Christopher Goodwin, Sunday Times)bob, Independent) The controversial, unexpurgated, and hilarious life story of the nation's hottest comedian - in his own words. The Financial Times described Under the Skin as 'refreshingly calm and thoughtful' and 'a great show'. Want more? Advanced embedding details, examples, and help!
